hi all,

thanks very much. i have uploaded a pdf of your work to my scribd account:

<http://www.scribd.com/doc/45837672/101220-Answer-to-Denis-Rancourt-1>

we can use this link to post the document on the net. i will post it as a reply on dr. rancourts rusty blog now.

all the best and have some very nice family days in the end of the year :)

Dear Kevin, Dirk and Florian

Please, find attached a slightly revised response from me to Rancourts criticism, which you may post on your sites.

Compared to the previous, the new text is highlighted in pink for your convenience. It is almost exclusively reg the first point and a single sentence in the second.

Florian, Dirk has already provided a german translation, and you may draw from his work (? Dirk?).

Many regards and good wishes for the holidays

Niels
